CERTIFIED STATEMENT OF NEED FOR ADDITIONAL PUBLIC FUNDS (PARTICIPANTS ONLY)

In order to limit public funding in races where participants face minimal opposition, public funds payments are capped at 25% of the maximum. This cap does not apply if a participant is running in a primary or special election for an open seat (an office for which no incumbent is seeking reelection).

Except in open seat primaries or special elections as set forth above, participating candidates must demonstrate a need for additional public funds using this form once for every election in which they seek the maximum public funds. Only the candidate may sign and submit the Certified Statement of Need.

This form must be received by the CFB by July 29, 2013, to be considered for the first public funds payment of the 2013 primary election. For subsequent public funds payments, it must be received by the filing deadline(s) for the disclosure statement(s) preceding the scheduled payment date.

The CFB will verify the truthfulness of this statement and supporting documentation, which will be posted to the CFB's website.

PAMELA JOHNSON FOR NEW YORK CITY COUNCIL

HAVEN'T YOU HAD ENOUGH!!! A New Voice & Vision for the NorthEast Bronx

**Help me to become the 1st Woman to hold
the District 12 Council seat! VOTE !!!
I will Bless the Lord at all times...!!**

Pamela Johnson is a Candidate for New York City Council District 12, and is known in the district for her community activism and her work as an Executive Director of Urban Neighborhood and the Eastchester Heights Community Center.

Pamela works with non-profit organizations that service the low-income and disadvantaged. She has fulfilled many speaking engagements for various community programs and NYC high schools. Her desire to help others resulted in obtaining employment for numerous Eastchester residents (including some second chance adults) and secured internships for many of the teens. Pamela has been a member at Pilgrim Assemblies for 27 years where she and her husband serve as Deacon and Deaconess.

In 1999 Pamela founded Urban Neighborhood Educational Technology for You, Inc. a program designed to provide disconnected adults, senior citizens and children in the community free computer training. Her organization is dedicated in bringing social awareness and knowledge through educational technology programs and community services, all aimed to strengthen the community's infrastructure. These programs and classes target low-income residents and local immigrants. Pamela teaches how the internet, interactive educational games, and digital media can be used to enhance education and produce employment opportunities. Some of the affiliated programs include: Workforce Development, GED/ESL referral services to Department Of Education, Computer Literacy, and after-school programs. She wants to give young people alternatives to hanging out in the street; that gave birth to the Friday Video Game

Welcome to Community Board 12

MEMBERSHIP

New York City is divided into 59 geographic Community Districts, each with its own Community Board. The Community Boards are municipal bodies of up to 50 representative Board Members. Board Members are appointed by their respective Borough President, half of them at the recommendation of their local City Council Member. They serve in a voluntary capacity for two year staggered terms. Board Members are your neighbors - people who live, work, own a business, or have some other significant interest in the Community District.

MEETINGS

Boards meet once each month. At these meetings, members address items of concern to the community. Board meetings are open to the public. A portion of each meeting is reserved for the Board to hear from the public. In addition, Boards regularly conduct public hearings - on the City's budget, on land use matters, and other major issues - to give the people of the community the opportunity to express their opinions.

COMMITTEES

Board committees do most of the planning and work on the issues that are discussed at Board meetings. Each Board establishes the committee structure that best meet the needs of its district. Non-Board members may apply to join or work on Board committees.

RESPONSIBILITIES

The community board has an important advisory role in dealing with land use, zoning, the budget process, and other issues. For instance, under the Uniformed Land Use Review Procedure (ULURP), the matter must come before the community board at a public hearing where residents within and outside the community can present testimony. The agency applying for consideration under the ULURP procedure must also attend the hearing to respond to community concerns/questions. The community board votes and makes recommendations to the Department of City Planning.

For zoning issues, individuals wishing to construct premises contrary to the zoning regulations must apply for a variance to the Board of Standards and Appeals. These applications also come before the board for public hearing. A recommendation regarding the application is submitted to the Board of Standards and Appeals.

For Capital and Expense Budgets, the process begins with consultations at the district level and moves on to the borough level; public hearings scheduled by the board, the borough president and the city council before the budget is adopted. Members of the public are encouraged to attend these hearings and to testify.

Of course, community boards provide much needed information and coordination to their neighborhood residents. We invite you to participate in our meetings and get involved in local government.

HOW CAN I GET INVOLVED?

First, attend a meeting of the Community Board. Call the District Office and ask to be put on our mailing list to get our monthly meeting notice. Additionally, anyone can speak at a general board meeting by signing up prior to the meeting for the public session. All speakers are limited to a maximum of three minutes unless otherwise acknowledged by the board chair.

Second, join one or more of our committees. By attending and participating in a committee meeting, you get firsthand exposure to how the committees function and the types of issues they routinely discuss. You can apply to be a non-board member of a committee by inquiring at the District Office for details.

Finally, apply for membership to the Community Board. Many non-Board Members who join committees eventually are interested in applying for Board membership. You may do so by contacting the Bronx Borough President's Office at **718-881-4455**.

WHAT DOES THE DISTRICT OFFICE DO?

The Bronx CB 12 District Office has two primary functions; process citizen complaints and requests for services. Providing administrative support for the Community Board, The District Office maintains all the public records of the activities of the Community Board and is responsible for setting up and

preparing notices of all Community Board meetings and functions. Additionally, the District Office processes Street Activity Permits for Block Party street closures, monitors the delivery of municipal services and, in general, acts as a one stop shopping point for information and referrals pertaining to all City government matters. The District Office is a professional, non-partisan office and there are no fees for any services provided. We are a little city hall, right here in your community.

WHAT KIND OF COMPLAINTS DOES THE DISTRICT OFFICE HANDLE?

Just about any complaint that involves a municipal service can be called into the District Office. This includes such items as, but not limited to:

- Reporting graffiti or other quality of life issues
- Missing or damaged street signs
- Malfunctioning street light
- Trees that needs pruning or requests for tree plantings
- Clogged catch basin
- Missed garbage collection

These are some examples of the more common complaints that are called into the District Office. By reporting these and other issues to the Community Board, you contribute to improving the quality of life in your neighborhood. The biggest mistake people make is that they assume that someone else will report a problem. Many problems go unreported because of this. You have the power to make a positive change in your community with a phone call, stopping by our office, or visiting us on the web.
