CERTIFIED STATEMENT OF NEED FOR PUBLIC FUNDS

In order to limit public funding in races where participants face minimal opposition, a Statement of Need is required as follows:

- ◆ Public funds payments made before the ballot has been set (“pre-ballot payments”)—required to receive **any** public funds, unless an opponent for the same seat has already received public funds.
- ◆ Post-ballot payments (“Primary” and “General” payments)—required to receive more than 25% of the maximum public funds for that election, unless an opponent for the same seat in that race has already received public funds.
 - ▶ A separate Statement of Need is required to lift the cap in the primary and general elections.

NOTE: A Statement of Need is never required for pre-ballot or primary payments in open seat races (no incumbent is running for re-election), nor in special elections. See Admin. Code §§ 3-705(7)(a), (b).

- ◆ Pre-ballot public funds payments: Submission must be received 15 business days prior to the scheduled payment date.
- ◆ Primary and general public funds payments: Submission must be received 15 business days prior to the payment date or the deadline of the preceding disclosure statement, whichever is later. The final deadline is the 32-day pre-election disclosure statement deadline.
- ◆ Submission must include a table of contents for the supporting documentation.
- ◆ Only the candidate may sign and submit the Certified Statement of Need.

The CFB will verify the truthfulness of this statement and supporting documentation, which will be posted to the CFB’s website. See Admin. Code §§ 3-705(7)(a)(1).
