HOW TO ADD AN EVENT

1. Go to Fundraising Events.

Click **Transactions** and then **Fundraising Events**.

2. Click Add Event.

You are now on the **Fundraising Events** screen. Click the **Add Event** button to proceed.

3. Enter the details of the event and click Save.

C-SMART will alert you if you leave out required information. Complete the fields as follows:

- **Event Name:** Enter the name of the event.
- **Host Name:** Select the name of the individual or organization hosting the event, if applicable.
- **Event Date:** Enter the date when the event occurred. You may do this by entering the date in the field using the MM/DD/YYYY format or by selecting a date from the calendar that appears when you click on the blank field.
- **Venue Name:** Enter the name of where the event took place.
- **Location:** Enter the address details of the venue.

CANDIDATE SERVICES TIP(S):

- ✓ Upon clicking **Save**, if a warning message pops up, read it. It might notify you of a potential compliance issue that you need to address immediately.
- ✓ Use the tab key to navigate through the fields so that you don't miss one.

Enter Details

* **Event Name:**

Host Name:

Event Date:

Venue Name:

4. Your event has been successfully saved.

At this point, C-SMART will go back to the **Fundraising Events** screen. You will see that the event that you just added is included at the bottom of the page.

CANDIDATE SERVICES TIP(S):

- ✓ *The campaign must disclose every contribution received at and expenditure made for every fundraising event. Using the Fundraising Events Maintenance tool makes this easier. When you add contributions, bills, and other transactions related to a fundraiser, you can link the financial activity with the fundraiser when you enter each transaction.*
- ✓ *Run the [Fundraising Events Report](#) to see the full list of contributions received at and expenditures made for each fundraising event.*
