

## **4th City Council District**

**Daniel R. Garodnick** (D, WF)

My name is Dan Garodnick and I have served as the City Councilman for District 4 since 2006. It has been an honor to represent the district where I have lived all my life. There are two parts to the job of a Council representative, as I see it — running a top flight constituent operation, and being an effective and thoughtful legislator. I hope you agree that I have established a strong record on both. For solving constituent problems from Stuyvesant Town, Waterside, Turtle Bay, the West 50s and the Upper East Side, my office prides itself on treating constituents like the valued clients that they are. My staff is top notch, and I am always accessible and present in the district to address issues first hand. As for legislation, the Daily News has recognized me as one of the most active Council Members. And I authored important bills that really moved the needle for New Yorkers. From standing up for tenants and the environment, to protecting consumers from fraud and abuses, to protecting whistleblowers, I work hard to be a thoughtful and determined legislator. And beyond any particular issue, or any one bill, I want you to know that I believe strongly in the work of the City Council. That is why my attendance is near perfect, and why I gave up my career as a lawyer to do it full time. I am committed to doing it right, and with honor and integrity. I hope you will give me an opportunity to continue this important work, and I ask for your vote on November 5th.
