

**6th City Council District****Thomas Siracuse** (G)

I am Tom Siracuse and I am running for the 6th Council District. I am a dedicated citizen-activist who has been working for decades to protect the jobs, housing and environment t of New Yorkers. I have done this without official position or compensation believing that all New Yorkers deserve a fair deal. I believe neither the Democratic nor the Republican Party will deliver a fair deal to New York City residents because they are bought and sold by corporate and real estate interests. That is why I am running as a Green Party candidate because The Green Party does not accept contributions from corporations and real estate. We only accept contributions from the People and we will not be beholden to corporations nor to party machines. I pledge I will fairly represent your interests in the Council.
