

26th City Council District

James Van Bramer (D, WF)

Hello — I'm Council Member Jimmy Van Bramer, candidate for re-election for City Council in the 26th District, representing Sunnyside, Woodside, Long Island City and Astoria. Four years ago, I promised that I would work every single day to make the lives of the people in the 26th District better. I have fought with and for the people of Western Queens day in and day out during these last four years. I've assisted over 10,000 constituents who have come to my office for help. I have invested tens of millions of dollars in capital projects throughout the district, and I have passed significant legislation in City Hall. Today, I promise you what I promised four years ago — that if re-elected, I will be working for you every day over the next four years in every way. Whether it is getting the Department of Transportation out to fix a pot hole, investing millions to fix the languishing Queensbridge Park Seawall, building 5 new schools in the district to address overcrowding and population increases, or fighting the MTA's constant outages on the 7 train, I have fought for the people of my district in every way I know how. Over the next four years I promise that I will continue working for you as hard as I can.
