

31st City Council District

Scherie S. Murray (R)

Rosedale, Laurelton, Springfield Gardens and Far Rockaway; I am your candidate for City Council. My name is Scherie Murray and it's time for New Leadership. I'm fed up with the corruption and self-serving nature of politics today. That's why I'm running for City Council. I graduated from the Law, Government and Community Service High School with my Diploma and an outstanding community service award. Currently, I have two degrees from CUNY; Microcomputer Business Systems and Broadcast Journalism. Friends, I have lived in the district for 14 years. As a resident, I know the long list of problems that are affecting each community; and If you elect me I will shorten that list by promoting public policies that better the quality of life for you and your family. For those who have given up on our political system, I want to remind you not to be discouraged. Every vote counts. I am the best candidate because I can offer solutions to the issues that are important to you. Elect me because I am a role model for the next generation. Rosedale, Laurelton, Springfield Gardens and Far Rockaway I'm a new generation of leadership. We've had the same City Council leadership for the past 12 years. 12 years is enough. It's time for a New Generation. It's time for New Ideas and New Solutions. On Election Day vote for me, Scherie Murray, because it's time for New Leadership.
