

## **Catherine Sheehan**

My name is Catherine Sheehan.

My husband, son and I requested a ballot by mail about 3 weeks prior to the election. My ballot and my husband's ballot arrived on June 20th the Saturday before the election. My son's has still not arrived (he voted at the poll with no problems). My daughter requested one online around June 9th. Her ballot arrived either June 16th or June 17th (about 10 days after requesting it).
