

Robin Lynch

To whom it may concern,

I am writing my voting testimony to let you know that I was unable to even vote. I am not feeling well, and therefore did not feel safe going to the polls. I had placed a request online for an absentee ballot on June 10, and never received it. This is a problem I have heard hundreds of others faced as well. I emailed the Board of Elections TWICE and still have yet to hear back from them. This was extremely poorly handled.

MAIL IN VOTES SHOULD BE DEFAULT BECAUSE OF COVID-19. WE SHOULD NOT HAVE TO RISK OUR LIVES FOR THIS. THIS IS VOTER SUPPRESSION.

Sincerely,
Robin Lynch
